Pers File No. 46 of 1923

Serial No.

Read In his letter of 20.12.22 the D.G. of Posts was agreeable for the withdrawal of 6 hands. Now he requires all the 12 hands whose services were dispensed with. The re-distribution list sent with the D.G.'s letter No. 1804/55-72 of 3.11.23 has been observed to be unobjectionable by the members of the referred file. In the face of this and of the Secretary's remarks on the same file it is for consideration whether the proposal of the D.G. should not be vetoed. As per suppl. distribution list only 19 waiters were required out of 30. Hence 12 hands were retained. The case of retention has been based on recent fire and the position may perhaps be watched for a year or two more. As the D.G. was not in favour of retention from the beginning, he seems to insist on the construction of boundaries or the retention of hands.

Secy Ind
11/12/23

Serial No.

6) The file leading to the reduction of 12 Warders, from the Temporary Warder establishment is forwarded. After a lot of correspondence, and a careful consideration of all aspects of the case, 12 warders were ordered to be retrenched. The order came into effect only from January last and within eight days of it, there is a proposal for building Warders lines, and very soon after, another proposal to re-entertain the discharged hands. It is stated that the abolition of the hands was recommended subject to quarters being built for Warders. Sanction to construct Warders' lines was not asked for at the time, but there is nothing to show that this was a condition precedent to the abolition of 12 Warders' posts. The letter of the DG (flag C) and that of the Supdt (flag D) contemplate no such condition precedent. In fact from the letter of the Supdt, and the statement of distribution of duties sent up by him, it is apparent that enough number of warders for all duties, with sufficient reserve have been kept, and only the superfluous men

Serial No.

have been thrown out. Wardens lines will of course, improve matters, but are not proved to be an absolute necessity Compared with Bijapur Jail, the Central Jail has a very much greater percentage of extra hands.

7) The present IG himself had agreed to a reduction of 4 hands without any conditions. (vide flag C but now he wants all the 12 hands back + that within a month of the order coming into effect. The situation may perhaps be watched for sometime more, and in the meanwhile the IG asked to state what his proposals re Zinc roofed sheds for wardens is likely to cost. This will finalise matters for a time.

8) Submit for orders.

Ist Sect[n]

Carr 11/-

1st Member. Carr.

9) By this enhancement, this jail authorities can produce a sufficient deterrent in his usual work since this has the direct bearing on his salary. What with his loss of running up these sheds as proposed

Letter No. 438/55-22 of 31.3.25 from the D.G. Prisons submitting an estimate & plans for the construction of temporary sheds for warders and requesting orders in the matter.

Had pr personal enquiries. No intimation has been made in the budget for 1925-26 for such a large amount. Whether there is an opportune time for such costly items for a temporary purpose - it is a point for consideration.

A perusal of slips 29 to 32 of 6/4/25 file shows that the abolition of the 12 wards was ordered in G.O. No 722/12/23 was represented to the Assembly only on the new building being erected for the jail or at least temporary zenana sheds Govt has declined to accept this contention. It is doubtful if under the circumstances can be considered the need for the zenana sheds is to have been made out.

Rs 7/4/25 The cost of constructing temporary sheds is estimated at Rs 38,800/- & is a point for consideration whether the present Jail Committee, and in view of the fact that a large amount

Serial No.

to Construct a new jail, it is expedient to spend such a large amount on temporary &

The Cost is excessive, & the question will have to be over. The Warders (12) were abolished in view of Quarters being built for the rest, & the I.G.P. has been Some that there is considerable work in taking our prisoners. Whether a few more Warders could be sanctioned temporarily till Quarters are built will have to be considered if I.G.P. desires this issue again. Submit to Govt.

D 2949
P

No. 36 Office of the Inspector-General of Prisons
24 55-22 in Mysore,
Dated Bangalore, 8th January 1924.

From Pris 46-23

Dr. H. B. Mylvaganam, F.R.C.S., (Eng).,
Inspector-General of Prisons Pris 46-23
in Mysore, Bangalore.

To

B. Nagappa, Esqr., Bar-at-law,
Secretary to the Government of His Highness
the Maharaja of Mysore, Local and Legis-
lative Departments, Bangalore.

Sir,

Adverting to Government Proceedings No.P.3296-7/Pris 44-22-8 dated the 22nd ultimo, directing the reduction of 12 - warders from the temporary warders' Establishment of the Bangalo Central Jail, with effect from 1st January 1924, I have the honou to state that the Superintendent of that Jail, reports in his le No.7/F. 19 dated the 3rd idem, that the proposed reduction was de pendant on the construction of warder lines, and unless the said lines are constructed, it is not possible to give effect to the reduction order, as it will be very difficult to replace absente and meet emergencies. He states that the services of 12 warders cannot therefore be dispensed with, consistent with the safety of prisoners and exigencies of service till lines are built for ward

2. If the Government consider that the construction of the lines is not possible on account of the present financial - stringency, I suggest that pending construction of a new Central Jail, temporary zinc roofed sheds at least may be provided in the field near the Stone-quarry situated between the Western Compoun wall of the Jail and Thippasetty Mutt, in order to minimise absen ees and to enforce strict discipline etc., as prescribed in Chapter XXXIII of the Jail Manual, or to retain the services of th

temporary warders till such time.

3. I request early orders in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

H B Mayhew

Inspector-General of Prisons.

Pris 46-23
2

B. Nagappa, Esqr., Bar-at-law,
Secretary to the Government of H.H. the Maharaja
of Mysore, Local and Legislative Departm
Bangalore.

Sir,

In continuation of my letter No. 36/55-22 dated the 8th instant, requesting, for reasons stated therein, the retention of the 12 temporary warders of the Bangalore Central Jail, whose reduction was ordered in Government Order No.P.3296-7/Pris 44-22-dated 22nd December 1923, I have the honour to forward herewith the copy of letter No. 112/F. 19 dated 21st idem, received from the Superintendent of the Bangalore Central Jail, on the subject and to state that when the abolition was recommended to Governmer it was conditional, to the building of the quarters for the warder. But the Government have been pleased to accept the proposal only in respect of the reduction without taking into consideration the necessity for building warders' lines to give effect to this order. The Superintendent of the Jail now finds it very difficult to carry on the important work of the watch and ward of the Jail and requests to re-entertain the number of warders dispensed with from 1st January 1924.

I request under the circumstances that you will be so goo as to obtain sanction of Government, for re-entertaining the 12 temporary warders and have their services till warder lines are built near the Jail.

I have the honour to be,
Sir,
Your most obedient servant,

H.B. Mylvaganam

Inspector-General of Prisons.

Letter No. 113/F. 19 dated 21st January 1924, from the Superintendent, Central Jail, Bangalore, to the Inspector-General of Prisons in Mysore, Bangalore.

-@-@-@-@-@-@-@-@-@-@-

In continuation of my letter No. 7/F. 19 dated the 3rd January 1924 regarding reduction of 12 temporary warders in obedience to Government Order No.P.3296-7/Pri 44-22-8 dated 22nd December 1923, I have the honour to bring to your kind notice that since the reduction certa posts in Jail have been abolished and the number of conv gangs to work in the Palace has been considerably reduce involving great risks and causing intense anxiety to the Jail authorities. I request therefore that until warder lines are built the services of the 12 temporary warders may be ordered to be re-entertained. I find it difficult to carry on the important work of the watch and ward of the Jail with anything approaching to safety.

No. 271/55-22.

Office of the Inspector-General of Prisons in Mysore,

Dated Bangalore, 6th February 1924,

From

Dr. H.B. Mylvaganam, F.R.C.S., (Eng).,
Inspector-General of prisons
in Mysore, Bangalore.

Prn 46-23-3.

To

B.Nagappa, Esqr., Bar-at-law.,
Secretary to the Government of H.H. the
Maharaja of Mysore, L.& L. Departments
Bangalore.

Sir,.

I have the honour to invite your kind reference to this Office letter No. 135/55-22 dated the 23rd ultimo, re: the re-entertainment of 12 temporary warders of the Bangalore Central Jail, who were thrown out of service as per G.O. No.P.-3296-7/Pris 44-22-8 dated 22nd December 1923 and to state that much difficulty is being experienced by the Superintendent of the Jail for want of sufficient number of hands to keep watch and ward over the prisoners that are being detailed for out-door work, and consequently the number of prisoners usually sent to the Palace for work has been diminished from 50 to 25.

As the reduction of the 12 warders in question proposed by the Superintendent, being only conditional on the construction of warder lines, he practically finds it now very difficult to manage the work without that number.

I request therefore that you will be so good as to obtain early orders of Government for the re-entertainment of the warders referred to, and to kindly communicate the same to me at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector-General of Prisons

Report to accompany the estimate for constructing temporary quarters for the Warders in the Central Jail Bangalore.

■ ■ ■ ■ ■ ■ ■ ■ ■ ■

Reference:-

Letter No.557 & 1241 dated 3-3-'24 & 8-8-'24 respectively from the Superintendent, Central Jail, Bangalore.

++++++++

R E P O R T:-

The accompanying plans and estimates have been prepared as per above references. It provides accommoda--tion for the following:-

1. Deputy Chief Warder.
1. Assistant Chief Warder.
9. Head Warders.
78. Warders.

The above staff will be accommodated by 25 blocks of buildings as follows:-

2 Blocks, one for each of the Deputy & Assistant Chief Warders, 9 for each Head Warders, 13 blocks for the Warders at 6 for each block and 4 latrines for the use of the staff. The arrangements of the blocks are shown in the site plan, sheet No.1. Each block will be built 10' apart in 2 rows. In the front row the Head Warder's block will be put up by the side of each block of 6 Warders. In the rear row, it will be by the side of each alternative block to complete 9 blocks for Head Warders.

The Assistant and Deputy Chief Warders blocks will be constructed in front of each row. Each compartment in the warders blocks is so arranged as to accommodate only 2 or 3 persons as economical as possible.

The roof of the shed is proposed to be of 2nd. class Mangalore tiles instead of zinc sheet, as the former works out cheaper. The roof will be supported by stone upright pillars. A thin wall of 9" thick with raw brick in clay is provided for the enclosure wall. Jungle-wood is proposed for all wood-work.

The site for the building is proposed to be acquired in Survey No.18 of Kippa setty Mutt West of Central Jail buildings. As 2 acres of land are required the cost is taken to be Rs. 6,000/- at 3,000/- per acre approximately. The estimate amounting to Rs. 38,800/- is forwarded for - sanction.
